Baby Sleep Soother

vtech®

Quick Start Guide

TECHNICAL SPECIFICATIONS

Frequency	2402 - 2480 MHz
Channels	79
Nominal effective range	Actual operating range may vary according to environmental conditions at the time of use.
Power requirements	Soother power adaptor: Input: AC 100 - 240V ~ 50/60Hz 0.5A; Output: 5V DC 1.5A Non user-replaceable built-in battery: Li-on 3.6V, 2600mAh, 9.36Wh

WHAT'S IN THE BOX

IMPORTANT SAFETY INSTRUCTIONS

The applied nameplate is located at the bottom of the soother's base.

When using your equipment, basic safety precautions should always be followed to reduce the risk of fire, electric shock and injury, including the following:

- Follow all warnings and instructions marked on the product.
- Adult setup is required.
- This product is intended as an aid. It is not a substitute for responsible and proper adult supervision and should not be used as such.
- This product is not intended for use as a medical monitor.
- Do not use this product near water. For example, near to a bath, sink, swimming pool or shower.
- CAUTION:** Use only the built-in battery provided. There may be a risk of explosion if a wrong type of battery is used for the soother. The battery cannot be subjected to high or low extreme temperature and low air pressure at high altitude during use, storage or transportation. Disposal of battery in fire or a hot oven, or mechanically crushing or cutting the battery can result in an explosion. Leaving the battery in an extremely high temperature surrounding environment can result in an explosion or the leakage of flammable liquid of gas. Battery subjected to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas. Dispose of used battery according to the instructions.
- Use only the adaptor included with this product. Incorrect adaptor polarity or voltage can seriously damage the product.

Power adaptor information:
Input: 100-240V~50/60Hz 0.5A Output: 5V DC 1.5A
V-Tech Telecommunications Ltd.
Model: VT07EUK05150

Rechargeable battery information:
Zhuhai Great Power Energy Co., Ltd.
Li-ion battery, 3.6V, 2600mAh, 9.36Wh;
Model: ICR18650-2.6Ah-3.6V-151P

- The power adaptor is intended to be correctly oriented in a vertical or floor mount position. The prongs are not designed to hold the plug in place if it is plugged into a ceiling.
- Unplug this product from the wall outlet before cleaning. Do not use liquid or aerosol cleaners. Use a damp cloth for cleaning.
- Do not modify the power adaptor or replace with other adaptor, as this causes a hazardous situation.
- Do not allow anything to rest on the power cords. Do not install this product where the cords may be walked on or crimped.
- This product should be operated only from the type of power source indicated on the marking label. If you are not sure of the type of power supply in your home, consult your retailer or electricity supply provider.
- Do not overload wall outlets.
- Do not place this product on an unstable table, shelf, stand or other unstable surfaces.
- This product should not be placed in any area where proper ventilation is not provided. Slots and openings in the back or bottom of this product are provided for ventilation. To protect them from overheating, these openings must not be blocked by placing the product on a soft surface such as a bed, sofa or rug. This product should never be placed near or over a radiator or heat source.

- Never insert objects into apertures on the product as dangerous voltages exist inside.
- Never spill liquid of any kind on the product.
- To reduce the risk of electric shock, do not disassemble this product. Disassembling or removing parts of the product may expose you to dangerous voltages or other risks.
- Periodically examine all components for damage.
- There is a very low risk of privacy loss when using certain electronic devices, such as baby monitors, cordless telephones, etc. **To protect your privacy, make sure the product has never been used before purchase, reset the soother periodically by powering off and then powering on the units, and power off the soother if you are not intending to use it for some time.**
- Children should be supervised to ensure that they do not play with the product.
- The product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Baby Sleep Soother is a class III product.
- This product is for indoor use only.
- Warning:** The light sources used in the Soother are not user-replaceable. When the lights eventually reach end of life, the complete Soother will need to be replaced.

SAVE THESE INSTRUCTIONS

- Cautions**
- Use and store the product at a temperature between 0°C and 40°C.
 - Mishandling batteries can cause burn, fire or explosion hazards.
 - Do not expose the product to extreme cold, heat or direct sunlight. Do not put the product close to a heating source.
 - Warning—Strangulation Hazard—** Children have STRANGLED in cords. Keep this cord out of the reach of children (more than 3 ft (0.9m) away). Do not remove warning label on the adaptor cord.
 - Never place the soother inside the baby's cot or playpen. Never cover the soother with anything such as a towel or a blanket.
 - Other electronic products may cause interference with your soother. Try installing your soother as far away from these electronic devices as possible: wireless routers, radios, cellular telephones, inter-coms, room monitors, televisions, personal computers, kitchen appliances and cordless telephones.

1 CONNECT AND CHARGE THE SOOTHER

NOTES

- The rechargeable battery in the soother is built-in.
- Only use the power adaptor supplied with this product.
- Make sure the soother is not connected to an electronically controlled electric outlet.
- Connect the power adaptor in a vertical or floor mount position only. The adaptor prongs are not designed to hold the weight of the soother, so do not connect it to any ceiling. Otherwise, the adaptor may not properly connect to the outlet.
- Make sure the soother and the power adaptor cord are out of reach of children.

Connect the power adaptor to the soother and an AC outlet, then the soother powers on automatically.

2 POWER ON THE SOOTHER

Press the switch to power your soother on when the soother is not connected to the power supply.

3 BEFORE USE

Positioning the soother

- Place the soother more than 1 metre away from your baby.
- CAUTION**
- Keep the soother out of the reach of your baby. Never place the soother inside the baby's cot or playpen.
- NOTE**
- To avoid interference from other electronic devices, place your soother at least 1 metre away from devices such as wireless routers, microwaves, cell phones and computers.
- Do not insert the soother in the same socket as these devices.

4 DOWNLOAD THE APP

Download MyVTech Soother App for more premium features

Download **MyVTech Soother App** to your mobile device from Apple Store or Google Play store to gain full access of features and conveniently control your soother. Put advanced functions to action, like customizing a routine, with just a few taps of the finger. With **MyVTech Soother App**, you can pamper your baby.

TIP

- Make sure your mobile device meets the minimum requirement for the mobile app.

NOTE

- The mobile app is compatible with:
- Android™ 6.0 or later; and
- iOS 12 or later.

Step 1

Install MyVTech Soother App

- Browse the App Store or the Google Play store .
- Search for the mobile app with the keyword "MyVTech Soother".
- Download and install the **MyVTech Soother App** to your mobile device.

-OR-

Scan the QR code below to install the app.

Step 2

Connect both devices via Bluetooth

Follow the instructions in the mobile app to set up and pair your soother.

- Tap the app icon to run the mobile app in your mobile device, and set your mobile device to Bluetooth discoverable mode.
- Soother will start searching nearby device automatically after being powered on.
- Select **V-Hush Mini** under the list of available devices and wait for a while for the pairing process.

NOTES

- Make sure your soother is powered on before pairing.
- Place your mobile phone near the soother for better connection.

APP FEATURES

4 OVERVIEW

- VOLUME**
- Press to lower the soother speaker volume.
- Magic key**
- Night light**
- Glow-on-the-ceiling night light projector**
- + VOLUME**
- Press to increase the soother speaker volume.
- Power jack**
- On/Off switch / Bluetooth pairing key**
- Press to turn on or turn off the soother.
- Press and hold for 5 seconds to enter the Bluetooth pairing mode.
- RESET key**

USE THE SOOTHER

★ Glow-on-the-ceiling night light projector

The projection light is located on the top of the soother. Use **MyVTech Soother App** to turn on and select a light colour to soothe your little baby.

Scan the QR code for more app instructions.

●●● Magic Key

Several functions can be performed using the **Magic key** ●●● located on the top of the soother.

Operations

- Tap once: start and resume the soother to its previous settings;
- Tap twice: go to the next favourite mode;
- Tap and hold: adjust the night light brightness level;
- Tap once again: turn off the soother.

Favourite mode

Favourite mode is used to customise the night light colour, brightness and effects, sound and volume, and projection effects. You can set the favourite modes in **MyVTech Soother App**.

Night light

With the night light, the soother can illuminate a soft hue to calm your baby in a dark room. You can control the brightness level of its glow directly on the soother and adjust the night light colour remotely in **MyVTech Soother App**.

✂ Audio streaming from your mobile device

The soother is able to function as a Bluetooth speaker after pairing with a mobile device via Bluetooth so you can play your own music from your mobile device through the soother.

Connect your device with the soother via Bluetooth audio

To use a Bluetooth enabled mobile device with your soother, you must pair and connect your Bluetooth mobile device with the soother, **which is a different connection from the separate MyVTech Soother App Bluetooth connection**. Before you begin, make sure that your Bluetooth enabled mobile device is not connected to any other Bluetooth device.

NOTE

- If the App sounds are played while streaming music, the App sounds take priority. Increasing the volume from the App will increase the music streaming volume when stopping the App sounds.

On the soother

- Press and hold the Bluetooth pairing key  for 5 seconds to enter Bluetooth pairing mode.

On your device

- Set your mobile device to discoverable mode before pairing.
- Place your mobile device next to the soother during the whole pairing process.
- Select "V-Hush Mini Speaker" under the device list.

NOTE

- After the soother enters the Bluetooth pairing mode, the blue light on the soother will continue to fade in and out until it is connected to a device.

GENERAL PRODUCT CARE

To keep this product working well and looking good, follow these guidelines:

- Avoid placing it near heating appliances and devices that generate electrical noise (for example, motors or fluorescent lamps).
- DO NOT expose it to direct sunlight or moisture.
- Avoid dropping the product or treating it roughly.
- Clean with a soft damp cloth.
- DO NOT immerse the soother in water and do not clean it under running water.
- DO NOT use cleaning spray or liquid cleaners.
- Make sure the soother is dry before you connect it to the mains again.

STORAGE

When you are not going to use the soother for some time, store the soother and the adaptor in a cool, dry place.

ADULT SUPERVISION

- This soother should be for use by adults only.
- Do not place the soother inside the cot or playpen.
- To ensure your children's safety, do not allow them to touch or play with the soother and its accessories. THIS IS NOT A TOY.

CUSTOMER SERVICE AND PRODUCT WARRANTY

PRODUCT WARRANTY

Thank you for choosing this quality product from VTech.

- The product detailed above is covered by a one year warranty from the date of purchase, against any defects in materials or workmanship.
- The product may be returned to the place of purchase. Alternatively the product can be returned to VTech Electronics Europe Plc (see address below), with proof of purchase, without proof of purchase no replacement will be provided.
- VTech Electronics Europe Plc will examine the product and if it is found to be defective due to faulty materials or workmanship, will replace the product at their discretion.
- If the product covered by this warranty is damaged due to misuse, modification or unauthorized repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
- This warranty is personal to the original purchaser and is not transferable.
- Breakages to the LCD screen are not covered by the warranty.
- Products returned to VTech Electronics Europe Plc, should be sent to the address shown below and packed carefully to avoid damage in transit. Please do not include batteries or adaptors. Please include details of the fault together with your name and address, contact phone number and/or email address.
- To keep an online record of your warranty, please register your product online at www.vtech.co.uk/clubvtech

VTech Electronics Europe Plc, c/o XPO Logistics, Warehouse 350, Cat & Fiddle Lane, West Hallam, DE7 6HE

THIS WARRANTY IS OFFERED AS AN EXTRA BENEFIT AND DOES NOT AFFECT CONSUMERS' STATUTORY RIGHTS.

This warranty is valid for the UK and Ireland only. For products purchased outside the UK and Ireland, please contact your local distributor or place of purchase.

IMPORTANT

Please retain this booklet with your sales receipt as proof of the date of purchase.

DISPOSAL OF BATTERIES AND PRODUCT

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005. Help protect the environment by disposing of your product or batteries responsibly.

DECLARATION OF CONFORMITY

This product is intended for use within Europe and UK.

This equipment complies with the essential requirements to EU's Radio Equipment Directive (2014/53/EU) and the UK's Radio Regulations 2017 on radio systems and telecommunication equipment.

VTech Telecommunications Ltd. hereby declares that this Baby Sleep Soother BC8213 is in compliance with the essential requirements and other relevant provisions of EU's Radio Equipment Directive (2014/53/EU) and UK's Radio Equipment Regulations 2017.
