Quick start guide

OTC-Floorstand
(for use with RM7787HD and V-Care series) Go to www.vtechphones.eu to find the compatible models for the floor stand accessory.

CAUTION

- Adult setup is required.
- Children should be supervised to ensure that they do not play with the product.
- The small parts of this device can be swallowed by babies or small children. Keep these parts out of reach of children.
- The product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

NOTE

- OTC-Floorstand is the floor stand accessory for RM7787HD and V-Care series. Install the OTC-Floorstand with HD video monitors.
- For the best viewing position, please place the floor stand in the middle of the long side and next to the cot.

WHAT'S IN THE BOX

CUSTOMER SERVICE AND PRODUCT WARRANTY

PRODUCT WARRANTY

Thank you for choosing this quality product from VTech.

1. The product detailed above is covered by a one year warranty from the date of purchase, against any defects in materials or workmanship.
2. The product may be returned to the place of purchase.
3. If the product covered by this warranty is damaged due to misuse, modification or unauthorised repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
4. This warranty is personal to the original purchaser and is not transferable.
5. Breakages to the LCD screen are not covered by the warranty.
6. Damage to the antenna is not covered by the warranty.

INSTALL THE FLOOR STAND

1. Insert the First Extension (A) into Second Extension (B), ensuring that the slot is correctly aligned. Make sure the DC socket protrudes from the opening of the Second Extension (B) and is ready for connection.
2. Insert the plug end of the Extension Cable through the back of the Base (G).

3. Select one Floor Stand Pole (D) and insert the plug end of the Extension Cable through the pole, then connect the pole with the Base (G).
4. Insert the plug end of the Extension Cable through the Connector Pipe B (F), the second Floor Stand Pole (D), the second Connector Pipe B (F), then the third Floor Stand Pole (D) in turn. Ensure that the slots are all correctly aligned and connect all three poles firmly with the pipes.

5. Insert the plug end of the Extension Cable through the Connector Pipe A (E), then connect the pipe with the third floor stand pole.
6. Insert the plug end of the Extension Cable through the Second Extension (B), until it emerges from the opening of the Second Extension (B). Then connect the Second Extension (B) to the Connector Pipe A (E).

7. Insert the Extension Cable plug into the DC socket, then secure the cable with the Extension Cover (C).

8. Open the base cover and place the filled water bag (H), maximum 2 liter, into the Base (G) to help prevent the stand from tipping. Replace the base cover.

9. Insert the baby unit power connector into the First Extension (A) of the floor stand, and the power adaptor plug into the DC socket of the Extension Cable and a power supply. Slide the Baby Unit power switch **ON** to power on the Baby Unit.

Floor stand installation is complete.
